

# MIAMI BEACH

OFFICE OF THE CITY MANAGER

LTC # **162-2015**

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager 

DATE: April 22, 2015

SUBJECT: Evaluation Committee Relative to Request for Qualifications (RFQ) No. 2015-127-JR for Architects and Engineering Services for the Middle Beach Recreational Corridor.

The purpose of this LTC is to update the Mayor and City Commission on the Request for Qualifications (RFQ) No. 2015-127-JR, which seeks to contract the services of a consultant to complete the demolition and construction of the Middle Beach Recreational Corridor (MBRC) which includes a 15' wide paver pathway and aesthetic landscape from 24 Street to 45 Street, for the City's Public Works Department, Environment and Sustainability Division.

The City has received a total of four (4) proposals pursuant to this RFQ. Responsive proposals will be reviewed by the Evaluation Committee in accordance with the criteria established in the RFQ to assure it meets the City's requirements.

I am considering appointing the following individuals to serve on the Evaluation Committee:

- Betsy Wheaton, Assistant Building Director, Building Department, City of Miami Beach
- Rodney Knowles, Greenspace Division Director, Parks and Recreation Department, City of Miami Beach
- Ricardo Guzman, Senior Planner, Planning Department, City of Miami Beach

I am also considering the following individuals as alternates:

- Flavia Tonioli, Environmental Specialist, Public Works Department, City of Miami Beach
- Margarita Wells, Environmental Resource Manager, Public Works Department, City of Miami Beach
- Mark Williams, Urban Forester, Public Works Department, City of Miami Beach

I would appreciate any comments and/or suggestions you may have by Wednesday, April 29, 2015.

Thank you.
